the Food Service Administrator, Mr. John Bowling. In that menu we (N.O.I) requested, (NAVY BEANS) for our ceremonial meal. On Tuesday, February 25th, 2014, at approximately 2:35pm, The Nation of Islam, held it's annual Religious Ceremonial Meal in food service-Inmates dining room. However, while coming through the mainline to get my ceremonial meal/tray; I noticed that "Kidney Beans", were being used and served for the ceremonial meal, which is forbidden for us to eat and are inconsistent with religious dietary laws; thus, since, Mr. Boyd were presence at the time and overseeing the ceremonial meal. I than complained to him, by asking him, what happen to the "Navy Beans", that were suppose to be served, he replied, by saying: "Beans-is-Beans". This verbal response, by Mr. Boyd did not remedy this violation, nor did he attempted to make a reasonable accommodation, based on our Religious dietary laws. Thus, the failure of Mr. Boyd, and/or the Food Service Department to accommodate the Nation of Islam with the "Navy Beans", as a requirement during our ceremonial meal, infringed on my religious belief and practices.

RELIGIOUS BELIEFS AND PRACTICES/DIETARY LAWS. Accordingly, to the "How To Eat To Live", book, by The Honorable Elijah Muhammad, he teaches, "No beans did he advise, except, the small navy beans, do we eat", Vol. 1, Page 5 (1967); See also, The Religious Beliefs and Practices, (TRM), T5360.01, Page 15, Number: 7, the section, Title, "How To Eat To Live", which states, relevant in-part: "The small navy beans are good, to eat". Paragraph C. In addition-Religious Beliefs and Practices, in Program Statement (P5360.09), Page 19, Paragraph 6, states: "Ritual or traditional foods must be consistent with the faith group's religious dietary laws". THEREFORE, the refusal to accommodate, the Nation of Islam, with the 'NAVY BEANS', instead, of the "Kidney Beans", were not consistent with, the Nation of Islam, Religious dietary laws and Religious Beliefs and Practices, thus, violates my Religious Beliefs and Practices.

RELIEF SOUGHT:

- a) Requesting \$100.000 (One-Hundred Thounsand Dollars) in Damages, for the violation of my Religious Beliefs and Practices-in violation of the First Amendment to the United States Constitution; and
- b) Requesting, that Mr. Boyd, and all FCI-McDowell food service employee's, go through, a course of special traning and be educated, by a qualified 'dietitian', by being familiar with each religious faith group's dietary laws/and religious practices. 1/

Qtr: Unit A-1

I am in receipt of your complaint where-in you allege a religious violation for the substitution of Kidney beans for the requested navy beans for the recent Nation Of Islam Religious Ceremonial Meal. A review of your complaint reveals, navy beans were not available "in-stock" at the institution and a substitution was made using Kidney Beans.

Upon further investigation, it has been verified, the use and consumption of kidney beans is not forbidden for consumption through Islamic Law.

Part A- INMATE REQUEST I have attached to this (BP-9), the original copy my (BP-8); and the original copy of the response, from Mr. John Bowling (FSA), title "Inmate Request To Staff", dated, 3/07/2014. Further, for the sake of brevity, I, the undersigned, Hereby and incorporate by reference, the fact's, as stated, in the undersigned (BP-8), as if set-forth, here at-length vice-versa. Furthermore, "I, disagree with Mr. Bowling response", when he stated: "...navy beans were not available "in-stock" at the institution and a substitution was made using kidney beans". ---Pursuant to Program Statement P5360.09, page 20, it states relevant part: "An inmate request to staff...must be submitted to the chaplain 60 day's before the ceremonial meals requesting ritual/traditional foods. The chaplain will consult with the food service administrator to develop the menu for each ceremonial or commemorative meal at least 45 days before the scheduled date of the observance. This facilitates timely food ordering and preparation".

In this case, the spokesperson for the Nation of Islam, namely, Thomas McCoy, Register number: 55535-083, met with, the (AFSA), Mr. Tabor, to finalize the Religious Ceremonial Meal Menu. ordering and preparation. The ceremonial meal was held on February 25, 2014. Further, Mr. Bowling statement regarding the use and serving of the 'Kidney Beans', for consumption, as a substitution, were forbidden by The Nation of Islam-Religious Beliefs and Practices and Religious Dietary Laws, as taught to us and practice by the Honorable Elijah Muhammad; Therefore, the use and serving of the kidney beans, for consumption, were not consistent with our Religious Beliefs and Practices and Dietary laws, in which We also, have a right to avoid eating foods that are forbidden by our Religious Beliefs and Practices. This is also found in the ("B.O.P") own policy. (PLEASE REVIEW THE ATTACHED (BP-8), ADMINISTRATIVE REMEDY). Thus, Mr. Bowling's statement, in his response, that, "it has been verified, the use and consumption of kidney beans is not forbidden for consumption through Islamic Law." Must be rejected; and for also, deliberately, mis-interpreting, the Nation of Islam's, Religious Beliefs and Practices and Religious Dietary Laws, by comparing the ("N.O.I") Religious Beliefs and Practices and Dietary Laws, with that of the 'Islamic Law'.

Moreover, at No time, during the exchange of communication between me and Mr. Boyd, did he ever said, that 'Navy Beans', were not "in-stock", as I pointed out in my (BP-8), his word's were,---"Beans-is-Beans". Simply put, it is important to also point-out, that on the very next-day (February 26th, 2014), the food service Department, served, 'navy beans', to the general population, during the dinner meal. INTERESTINGLY.

RELIEF SOUGHT:

a) Requesting, \$100.000 (One-Hundred Thousand Dollars in Damages, for the violation of my Religious Beliefs and Practices-in violation of the First Amendment to the United States Constitution; and

b) Requesting \$75.000 (Seven-Five Thousand Dollars in Punitive-Damages, for theirs reckless acts, in deliberately violating my Religious Beliefs and Practices, when they knew or should have known, that "kidney beans" were forbidden to be use and serve for consumption, based on my religious beliefs and practices and Dietary Laws, this award is necessary, in order, to deter any future violation/injury of this kind by any federal bureau of prisons employee's, from reoccurring.

c) Requesting, that Mr. Boyd, and all FCI-McDowell food service employee's go through a course of special training and be educated, by a qualified 'dietition, by being familiar with each religious faith group's dietary laws and religious beliefs and practices.

REQUEST FOR ADMINISTRATIVE REMEDY

MCD 771985-F1

Your request for Administrative Remedy dated March 18, 2014, has been reviewed, wherein you make an allegation that you disagree with the Food Service Administrator's response on the replacement of navy beans because they were out of stock on the day of the ceremonial meal.

An inquiry into this matter revealed that you were served kidney beans in place of navy beans during your ceremonial meal. Ceremonial meal menus are signed in advance to plan for service of the meals. However, at times, due to unforeseen circumstances, delivery issues arise that are out of the control of the Food Service Department and substitutions have to be made to the menu with like items. The navy beans were ordered with the quarterly subsistence items in January and they did not arrive due to the weather, trucking availability, and other vendor related issues.

Furthermore, Food Service staff made the substitution of kidney beans which is one of the beans you are allowed to consume as a member of the Nation of Islam.

Based on the above information this response is for informational purposes. If you are not satisfied with this response, you may appeal to the Regional Director, Bureau of Prisons, Mid-Atlantic Region, 302 Sentinel Drive, Suite 200, Annapolis Junction, Maryland 20701, within 20 calendar days of the date of this response.

Part A - REASON FOR APPEAL I, the undersigned, hereby, realleged, and incorporated, by reference, the facts, and the legal contention(s), in his original(BP-8),(BP-9) and (BP-10), as if, set-forth, herein, the instant "BP-10", at-length, vice-versa; and the initial relief being sought. In addition, I, have attached hereto, the original 'BP-8', and the original 'BP-9', including, the Warden's response. (Remedy I.D. # MCD 771985-F1), dated, 4/1/2014.

REASON FOR APPEAL-First and foremost, I, disagree with, the "BP-8", response, by Mr. John, Bowling(FSA), whereas, he contend's, that, 'navy beans' were not available "in-stock" at the institution and a substitution was made using Kidney Beans. However, this statement by Mr. Bowling is murky, whereas, food service were given the ceremonial menu, well in advance, to have procured, the requested 'navy beans' for our Religious Ceremonial meal, this is accordance, with policy,P5360.09, therefore, there is no-excuse, for their failure, and their, NEGLIGENCE, effort, to put-aside, some 'navy beans' for The Nation of Islam, meal. Simply, put, since, January of this year food service, has indeed, been serving 'navy beans' to the General population and including, February, the 26th. Furthermore, Mr.Bowling, has, deliberately, and deliberately, 'deceived', this administration, through, this administrative remedy process, by also, contending in his response, that it has been verified, that, 'the use and consumption of kidney beans is not forbidden for consumption through Islamic Law'. Yet, Mr. Bowling has failed to put-forth any evidence, verifying his response. Moreover, that is why, the question is asked, in the Institutional Supplement, for McDowell: "Was any...documentation used to 'verify' the response provided to the administrative remedy?" and the answer is no!, Nor could he. Nevertheless, Mr. Bowling and his food service employee's are all charged with 'imputed' knowledge, as to the Nation of Islam and other religious group's Religious Beliefs and practices and Religious Dietary Laws. 1/

Next, the Warden, contend's in his response, to my ("BP-9"), that, "That navy beans were ordered with the quarterly subsistence items in January and they did not arrive due to the weather, trucking availability, and other vendor related issues". (See, Warden's response, attached to my "BP-9", Administrative Remedy #771985-F1). However, this response, or statement by the Warden is 'murky'. For example, if the Warden can contend in his response, but, failed to acknowledge and recognizes the fact, that, navy beans were actually being served to the general population in January and in February, (including the 26th, of February), yet, claim in his response, that no navy beans arrived. Thus, this response, by the Warden, requires, further, investigation by this office, in order, to properly, make rational decision in this administrative process. This is particular true, because, the Warden has not offer no documentation to verify his response, in accordance, with McDowell Institutional Supplement, Pursuant MCD-1330.16, administrative remedy, July 30, 2010, Page 5, attachment B, n.7.

Furthermore, the Warden also, contend's in his response, "...the substitution of kidney beans which is one of the beans you are allowed to consume as a member of the Nation of Islam". This statement by Warden, runs-afoul, of the Nation of Islam Religious Beliefs and Practices and Dietary Laws, especially, when the Warden were made aware in my ("BP-8") and ("BP-9"), that the only beans we eat is the 'navy beans'. Thus, having the Warden being informed of these facts, prior to responding, meaning, his statement that, 'kidney beans which is one of the beans we can eat'; hence, this statement by him, violate's, the Code of Federal Regulations Rule 548.15, states, "No one may disparage the religious beliefs of an inmate..." Consequently, the Warden, has not provided any proof, whatsoever, to back-up his assertion; in order word's the Warden's response, is not based on 'actual facts'.

REGIONAL ADMINISTRATIVE REMEDY APPEAL
Part B - Response

Date Filed: April 11, 2014

Remedy ID No.: 771985-R1

You appeal the Warden's response to your Administrative Remedy. Specifically, you disagree with the Warden's response at FCI McDowell because you allege you were served kidney beans instead of navy beans during the ceremonial meal for the Nation of Islam.

An investigation into this matter revealed that you may meet with the chaplain and food service staff to choose options from the national menu to be served during a ceremonial meal. However, there is no guarantee that these menu items will be served during the ceremonial meal. On the date of the ceremonial meal for the Nation of Islam, kidney beans were substituted for navy beans. All other menu items for the Nation of Islam ceremonial meal were served as requested.

Furthermore, at times, due to unforeseen circumstances, delivery issues arise that are out of the control of the Food Service Department and substitutions have to be made to the menu with like items.

Your appeal of the Warden's response is denied. If you are dissatisfied with this response, you may appeal to the General Counsel, Federal Bureau of Prisons, 320 First Street, N.W., Washington, D.C. 20534. Your appeal must be received in the General Counsel's Office within 30 days from the date of this response.

Part A - REASON FOR APPEAL PLEASE TAKE NOTICE: On May 1,th 2014, I received my response back from the Mid-Atlantic, Regional office;However, I noticed, that my original copy of my (BP-8) and (BP-9); in-reference to Remedy #MCD 771985-F1and the Regional office remedy #771985-R1, these documents were missing from my envelope when i received my response from the regional. I have e-mail the Warden at this institution, asking him and other agency for an investigation into this matter,because, this were the second time this have happen to my legal mail. I have attached hereto, a copy of the e-mail that i sent to the warden. Therefore, for the purpose of this appeal; I have attached a copy of my (BP-8) and (BP-9); and the Original ("BP-10") with the response's for each administrative remedies. REASON FOR APPEAL: I, the undersigned, hereby and incorporated by reference all the avertments and facts, set-forth in his "BP-8","BP-9" and "BP-10". I, disagree with the warden's response, and the Regional director response, because, they failed to acknowledged and admit, that Mr. John Bowling(FSA) and Food Service, employee, Mr. John Boyde, both erred when: First, Mr. Bowling failed to ensured that the Nation of Islam "Navy Beans" will be secured; 2) erred when they substituted ~~the~~ the 'Navy Beans' with 'Kidney Beans', when they knew or should have known it were forbidden under the Nation of Islam dietary laws; 3) disparaging my religious, by making statements: "Beans-is-Beans".
